DETAILED ACTION

The amendment filed on 02 August 2005 has been entered and overcomes the objection to claim 3.

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claim 4 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Regarding claim 4, the phrase "and the like" makes the claim vague. It is not clear what is to be included or excluded by the phrase "and the like".

Appropriate correction is required.
